Trust yourself. You know more than you think you do

Life isn't about finding yourself. Life's about creating yourself

[illegible][illegible]

Life is change. Growth is optional. Choose wisely.

To keep a lamp burning we have to keep putting oil in it

No act of kindness, however small, is ever wasted

The time is always right to do what is right

A short saying oft contains much wisdom

When there is no moon, we go by stars

If you are not confused, you are not paying attention.

|                                                                                                                                  |                                              |                                                |

[illegible]

To keep a lamp burning we have to keep putting oil in it

Life is change. Growth is optional. Choose wisely.

To keep a lamp burning we have to keep putting oil in it

Failure is success if we learn from it.

Trust yourself. You know more than you think you do

Motivate and inspire all!

A large, faint watermark of the Guru Nanak Dev Engineering College logo is centered on the page. The logo is circular and contains a stylized illustration of a ship, a crane, and an airplane. Text within the logo includes 'GURU NANAK DEV', '1956', and 'ENGG. COLLEGE LUDHIANA'.

[illegible]

ife isn't about finding yourself. Life's about creating yourself

A proverb is much matter decocted into few words

No act of kindness, however small, is ever wasted
